

Netop Vision7 Getting Started Guide (EN, DE, FR, IT, ES, FI, NL, SV)

Article Number: 42 | Last Updated: Tue, Aug 16, 2011 9:05 AM

When you start your teacher computer Vision automatically connects to your default classroom and shows the student computers as thumbnails. This gives you an instant overview of what each student is working on and enables you to select one or more computers to start using the teaching features. This document gives you an overview of most frequently used teaching features.
