

## How to enter your Vision license key

Article Number: 73 | Last Updated: Wed, Sep 23, 2015 1:24 PM

Applies to: Vision versions 6.9.0 or higher, Vision Pro 7.3 or higher Â If you are running Windows XP, Vista, 7 or 10: Â To add a license to the program you will access the Netop license utility via the Start Menu > All Programs > Netop Vision> Netop license utility. Â If you are running Windows 8: Â Open the metro interface, click on the down arrow on the bottom left and scroll to the right until you see the Netop Vision section and open the Licensing Utility. Â Â It is recommended you remove any existing licenses before adding your new licenses unless they are for a new product.
